

SHORT TERM CAR RENTAL

During the weekend or for a skiing holiday, enjoy the journey, not just the destination. No mountain road scares you with the right car, so you can reach your goal effortlessly.

Short term rental is the ideal solution for special short-term-needs.

NDR Andreassi offers you the chance to rent a car for a short time and a cheap price.

We have different types of renting rates depending on the type of car you choose.

You'll be able to rent any car for a minimum of 1 day, up to 30 days, having the freedom to move anywhere you want.

In our car fleet, you can choose between hybrid cars and electric cars (in order to be able to drive throughout any city center), city cars, small cars or sedan cars.

BENEFICIAL

Is it actually true that if you want more, you have to spend more? We know that the best testimonial is a happy customer: that's way our goal is giving you what you really need, a quality car rental service at the right price.

CUSTOMIZABLE

Every journey is different, every customer has his needs and his priorities and hence our rental solutions are extremely flexible: we will sit down with you to assess which cars and which services suits you better.

RELIABLE

You can really trust us: we guide you to the best choice; we explain you the contract terms clearly; we provide you the assistance during and after the rent, kindly and professionally.

Do you want to rent a car for a day, for the weekend or for a longer time?
